SSHSA National Awards Nominations Application

SSHSA is seeking nominations for its annual awards. Four national awards are available to recognize significant achievements in various areas of the SSHSA's Mission. When nominating an individual, please keep in mind the SSHSA's Statement of Purpose: "Recording, preserving, and disseminating the history of engine-powered vessels". Nominations should be submitted on this form with no more than one attached page describing as to why you think your nominee should be considered. The deadline for nominations is March 31 each year.

The C. Bradford Mitchell Award – this award to an individual, institution, agency, etc. recognizes a single achievement such as an important book or establishment of an important institution contributing to the society's aims.

The Samuel Ward Stanton Award for Lifetime Achievement – This award is intended to recognize the accumulated value of on-going work in our area of concern.

The H. Graham Wood Award for Distinguished Service to the Society – This award is intended to recognize an individual for long-time dedicated service to the society.

The Ship of the Year Award – obviously, only vessels are available for this award. Vessels considered will generally- but not exclusively- be steam powered, and may be in non-profit, private, or commercial ownership and in active or inactive use. The vessel must have had or be making a major contribution to the Society's purposes.
